| WITFK 24/7 at 7am | **EPISODES** - The Perfect Ten Problem / The Long Line Problem  
                      **FOCUS** - Numbers and Counting: the number zero  
                      **ACTIVITY: TRY THIS**  
                      Using index cards or pieces of paper, make number cards with 0, 1, 2, 3 on them. Place 4 cups or bowls on your table. In the containers, place 0, 1, 2, or 3 of small objects. Ask your child to play “store” and to place the number cards in front of the containers that match. |
| **Tuesday, July 21, 2020** | **SCIENCE THINKING**                          |
| WITFK 24/7 at 11am & 5:30pm | **EPISODES** - Runaway Pumpkin / Lady Bug Tough  
                      **FOCUS** - Investigate small critters such as insects and worms  
                      **ACTIVITY: TRY THIS**  
                      When you help your child to investigate small critters like worms, snails, lady bugs and ants, you can help your child think about how different animals find the food, water and other things they need in those environments. Help your child look for critters in the dirt, under rocks, around plants and talk about what it looks like, what it's doing and where you found it. |
| **Wednesday, July 22, 2020** | **EARLY LITERACY**                            |
| WITFK 24/7 at 10am | **EPISODE** - Galileo's Space Adventure  
                      **FOCUS** - Alphabet and spelling; learning about the sun and planets  
                      **ACTIVITY: TRY THIS**  
                      Trying drawing and coloring a sun and a moon. Help your child write the word “sun” and the word “moon” and talk about each word’s beginning letter and its sound (“S” for sun and “M” for moon). Help your child cut out their sun and moon and you can make a hole at the top and add some yarn or string to hang their sun or moon. |
| **Thursday, July 23, 2020** | **SOCIAL / EMOTIONAL LEARNING**               |
| WITF TV at 6:30am & WITFK 24/7 at 12:30pm | **EPISODES** - My Dad, The Garbage Man / Poor Muffy  
                      **FOCUS** - Community Helpers  
                      **ACTIVITY: TRY THIS**  
                      Talk with your child about essential workers and helpers in your community. What can you do together to show them your appreciation? Maybe it’s making a homemade thank-you card from supplies you have at home. You could mail the card or drop it off. You could also make a thank-you sign and place in your window. |
| **Friday, July 24, 2020** | **THE ARTS**                                  |
| WITF TV at 7:30am | **EPISODE** - Parrot Power  
                      **FOCUS** - Colors  
                      **ACTIVITY: TRY THIS**  
                      Display some single colored items on the floor. You can use construction paper, crayons, markers or even tshirts. Have your child go on a “Color Treasure Hunt” by collecting toys and objects that match colors you have placed on the floor. |
