

HIGHLIGHTS

FRED VIGEANT

Vice President &
Chief Audience Officer

Cheers to new beginnings! We welcome 2024 and I'm grateful to have you along for some fantastic programming this month and throughout the year. Thank you for your continued support and investment in WITF.

We'll celebrate the new year on Monday at 8:00pm with our annual concert from Vienna on **Great Performances**. We'll repeat the performance the same night at 9:30pm.

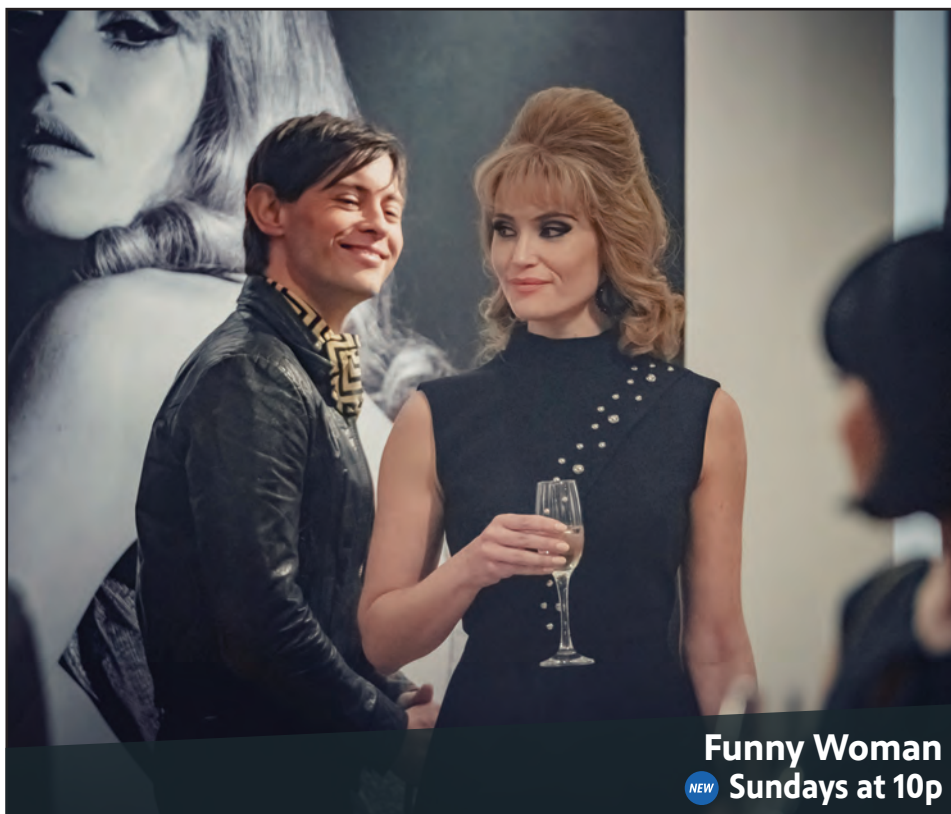

Finding Your Roots is back for its 10th season on January 2, and it kicks off by revealing the hidden connections between two celebrated artists: Ciara and Alanis Morissette. Later this month, you'll see appearances from Sammy Hagar, LeVar Burton, Valerie Bertinelli and many others. **Finding Your Roots** continues through the winter on Tuesdays at 8:00pm.

We've made it to the final season of **Doc Martin**. I have mixed emotions as it's been quite the journey with Doc Martin Ellingham and all the zany characters in Portwenn. I vividly recall the premiere of season one all the way back in 2012 and it was quite a hit.

Enjoy season 10 on WITF TV Thursdays at 8:00pm with a repeat on Sundays at 5:30pm. As a WITF Passport subscriber, you can stream seasons eight through 10 of **Doc Martin** on demand to watch on your schedule.

Of course, the hottest nights of the month will be Sundays with a brand-new slate of drama and mystery. Beginning January 7, we'll feature two of your favorites – **Miss Scarlet & The Duke** and **All Creatures Great & Small** – alongside a brand-new series, **Funny Woman**.

The Victorian-era mystery series, **Miss Scarlet & The Duke**, enters its fourth season at 8:00pm, with Eliza running Nash & Son's

Funny Woman
NEW Sundays at 10p

London office. At 9:00pm, **All Creatures Great & Small** returns for its fourth season, with our beloved residents of Darrowby in the spring of 1940 with Europe at war.

Our newcomer, **Funny Woman**, ends the night at 10:00pm. We'll follow Barbara Parker as she becomes a comedy star in the male-dominated sitcom industry in 1960s London.

All three programs will be available to stream through the WITF and PBS app, or you can find them on WITF TV every Sunday evening.

With the new year comes new episodes of **Antiques Roadshow**. The 28th season kicks off with appraisals at the Alaska Native Heritage Center and Old Sturbridge Village. Watch **Antiques Roadshow**'s newest season on WITF TV starting January 8 at 8:00pm.

Last, but not least, **Nature** premieres

a brand-new season with a three-part miniseries, **Big Little Journeys**, on January 10. We'll follow six heroic, tiny travelers risking it all to complete big journeys against the odds. Follow along Wednesdays at 8:00pm on WITF TV or through the WITF or PBS app.

I've been making a few subtle changes to the weekend line-up. A reminder that we now repeat most of our how-to programs (quilting, sewing, painting, etc.) from the weekdays on Sunday morning. You'll now find **PBS News Weekend** airing 30 minutes earlier, at 5:00pm on Saturdays and Sundays. The weekday news show, **PBS NewsHour**, remains at 6:00pm.

Enjoy your January!

GOSPEL

Join WITF at Shippensburg University on Thursday, February 8 at 6:30pm for a free, special sneak preview of **GOSPEL**, a new docuseries from Professor Henry Louis Gates, Jr. **RSVP at [witf.org/events](https://www.witf.org/events).**

Caring For Families Our Tradition For Three Generations

We've been taking care of our community for over fifty years by helping to make things better, even at a time when they seem to be at their worst. For three generations, it has been our honor to carry on this Family Tradition Of Caring. Talk with us today about how we can help your family.
