

HIGHLIGHTS

FRED VIGEANT

Vice President &
Chief Audience Officer

We often don't know when the State of the Union will take place by the time **On WITF** is designed, edited, produced, and mailed to you. This year is an exception. We learned in January that the speech was scheduled for March – and here we are. We'll see the joint session of Congress convene on Thursday, March 7.

PBS NewsHour will provide live coverage of the event, the Republican response, and an analysis. You can catch NPR's coverage on WITF 89.5 & 93.3, too. Live video or audio of the speech will be shared through the WITF, NPR and PBS apps. We have you covered, so tune in however you prefer!

The end of February brought us the season four finale of **All Creatures Great and Small**. Before the season fades from your memory, we're offering two ways to tour the Dales — on television and in real life.

All Creatures Great and Small: Touring the Dales is a celebration of the beauty of the Dales and the locations you've come to love by watching the series. You'll tour the locations featured in the show, including Skeldale House, Heston Grange, and The Drovers Arms, as well as scenic vistas, bridges, farms, stables and countryside roadways. Catch **Touring the Dales** on March 7 and 9 at 7:00pm.

Interested in visiting places featured in your favorite British shows in person? WITF is hosting a trip to England this September for fans of **Call the Midwife**, **Grantchester**, and **All Creatures Great and Small**. Join me and my colleague, Shelley Cohen Hershey, for the seven-day trip. For more information and to take part in this trip, call 1-866-654-7508 or email info@transcendent-travel.com. Seats are moving fast!

Call the Midwife
NEW ★ Premieres March 17 at 8p

Speaking of **Call the Midwife**, our friends from Nonnatus House return for season 13 on March 17 at 8:00pm on WITF TV. The same day, we'll rerun all of season 12 beginning at 10:00am, including the Holiday Special at 6:30pm.

MASTERPIECE returns to our schedule on March 17 with two new miniseries. First up, at 9:00pm, is **Nolly**, which reveals the story and unceremonious firing of Noel "Nolly" Gordon, one of the most famous faces on British TV in the 1960s and 70s. The series stars award-winning actor Helena Bonham Carter.

Then, at 10pm, **Alice & Jack** reveals how love plays out between two very different people over 15 years. The miniseries is created by **Mad Men** award-winning writer Victor Levin.

On March 18 and 19 at 8:00pm, explore the riveting life of Dante Alighieri and his literacy masterpiece, "The Divine Comedy," by watching Ric Burns' documentary, **Dante: Inferno to Paradise**.

New episodes of **Finding Your Roots** also return in April, with a few recent favorites showcased in this month's schedule, including **Secret Lives** on March 26 at 8:00pm featuring comedians Carol Burnett and Niecy Nash.

You're invited to **Finding Your Roots: A Genealogy Fair**, April 6 at the Whitaker Center in Harrisburg. Ask local experts questions about your research journey, watch clips from season 10, and hear from Megan Robertson of Cumberland County, who learned about her family history on a special episode of **Finding Your Roots**! RSVP at witf.org/april6.

Your on-going support of WITF is appreciated. Thank you for taking the time to read through this month's guide and thanks for watching WITF TV!

Caring For Families

Our Tradition For Three Generations

We've been taking care of our community for over fifty years by helping to make things better, even at a time when they seem to be at their worst. For three generations, it has been our honor to carry on this Family Tradition Of Caring. Talk with us today about how we can help your family.
